PRESCRIPTION NOTES

FORWARD: MANY FACETS OF PLANNING

Planning for a project like the church building has many facets. Design of the building, furnishing the building, securing permits for the building, and, of course, financing the building. The Task Force, on behalf of the congregation, is pursuing a loan for the church building. They are expanding their search for lenders to inquire of more lenders who work with churches. A Task Force is meeting, along with the the Leadership Team to discuss financing options on June 6.

The Task Force, along with Groth Design and Catalyst Construction, are working on a plan that will give us a move in ready (including furnishings) church building for \$5.3 million.

As we wait to take the next steps for the church building, continue to pray for the Lord's blessing. Also consider how you can be the answer to prayers by volunteering when the time comes, and by continuing to contribute financially as the Lord has blessed you.

School News

The end of the school year is an eventful time at school with confirmations, plays, sports, awards, and graduations. It can be bittersweet to send students off for the summer or for some, a new chapter in their education, but we are so proud of our students and all they have accomplished.

Our students did a great job with their Family Night performances. Students in grades K-3 presented "Don't Rock the Ark," and grades 4-8 presented a living history. Family and friends enjoyed all the students' efforts greatly.

Our school year ended on May 23 with a day of fun activities for the whole school and the graduation service that evening. We sent this year's 8th-grade class to "Go into all the world and preach the gospel to all creation," (Mark 16:15)!
